## **REMARKS**

The amendment at page 7, line 7 is supported by original claim 4 (after correcting the obvious typographical errors in "dentrose" and mulodextrose" - where --dextrose-- and -- maltodextrin-- were intended). No new matter has been added. The amendments merely correct minor typographical and grammatical errors.

The application is considered in good and proper form for allowance. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
